Donal Brosnan,
Architectural Design and Development Limited,
Brosna,
Tralee,
Co. Kerry.

Over the past number of years we have engaged Donal Brosnan of Architectural Design and Development Limited to carry out various tasks to our nursing home.

He applied for planning, planning retention, certified the works and fire certs. to the building in question at all stages. Donal was very helpful, extremely knowledgeable in all aspects of the planning and fire certs. It was Donal who did all of this we have used his services since 2003 and found him honest and reasonable to pay at all times as well as an extremely good time keeper.

I would have no problem in recommending Donal to anyone who may want to use his services as we found him the best compared to the rest and we fully intend to use his services again in the future.

If you wish to contact me please do on 069 81188 and I can confirm the above.

Regards.

Margaret McGeehan.
