To whom it may concern:

We engaged the services of Donal Brosnan (Architectural Design & Development) a few years ago to supervise the build of our house. We found him to be very professional in dealing with him. He always turned up on time as agreed and had paper work sorted straight away as requested.

We would have no hesitation in recommending him to anyone and would use him again should we need his services.

Should you need any further information please contact us at the above address

Yours truly,
Brendan & Mary O'Regan
